3. Repeat the above process to embroider the small cat design, using a smaller hoop and reducing the size of the cat face to 2.83 cm x 3.47 cm. repeat for a total of four motifs. Cut the motifs into blocks, 4" square, centering the cat face in the middle of each block.

### Instructions:

Next, flip another black to the other side of the candy corn triangle, stitch. Continue until there are 9 black triangles and 8 candy corn triangles in a row. Trim the end of the rows, 1/4" from the center of the last black triangle. Stitch 3 more rows of border candy corn and black triangles.
