Dandelion Pillow

Change up your favorite pillow pattern with some fun embroidery designs. Follow these instructions to see how easy it is to resize designs to give projects a new look.

Skill Level: Intermediate

Created by: Diane Kron, Software and Embroidery Project Manager

Supplies:

Baby Lock® Unity sewing and embroidery machine
Eileen Roche's Fashion Embellishments II Collection (ADP29J) from Amazing Designs®
Tear-Away Stabilizer med wt. from Baby Lock
The Pillow Book by Shannon Okey
1 yard silk fabric
1 yard Tricot iron on stabilizer
Madeira® embroidery threads
Temporary spray adhesive

Instructions:

At the Machine:

1. Set the machine up for embroidery.
2. Click on Embroidery category and retrieve the dandelion design (#EREM207) from the Eileen Roche's Fashion Embellishments II design collection.
3. Set the design and click on Edit. Select the Resize icon. To resize the design larger, click on the icon with the arrows pointing outward or to resize smaller click on the arrows pointing inward. In the sample, the design was 20% larger. Click on Set.
4. To embroider the design in one color, under the Edit category click on the Color Spool icon. The machine will not stop after each color.
5. Following the directions on Page 28 of the Pillow Book, Step 1 for the Basic Rectangular Pillow project, cut a section from the silk fabric measuring 21" x WOF (width of the fabric) as shown. Fuse the tricot iron stabilizer to the backside of the silk fabric.
6. Hoop the tear-away stabilizer and lightly spray with the temporary spray adhesive. Place the stabilized fabric in the hoop and finger press to secure.
7. Place the hoop on the machine; center the design and embroider.
8. For the remaining embroidered designs, space the designs approximately 4"-5" apart and rotate them in either direction as desired (*as shown in the following illustration*). Repeat the hooping and embroidery process by following Steps 7-8.

9. Remove the stabilizer from the back of the piece.

10. Follow Steps 2 and 3 from the book to finish the pillow.
