

# “Superhero Cape”

## Instructions:

1. Cut the pillowcase and open out flat.
2. Clean finish the open sides with a narrow hem.
3. Fold the top edge over creating a half inch casing.
4. Run the elastic through the casing and secure it at both ends of the casing.
5. Tack the ribbon to one side of the neckline. Add a hook and loop dot to the end of the ribbon.
6. At the other side of the neckline add the other side of the hook and loop dot.  
*Note:* For safety reasons a ribbon with a hook and loop dot are used to secure the cape at the neckline, rather than the cape tying at the neck.
7. Draw and design your own superhero emblem and applique it to the center back.
8. Use an embroidery machine to create your emblem. Use the framing patterns built into the machine to create a shield design. Enlarge the frames to the maximum embroidery hoop size for your machine. You can combine other designs from your collection such as a star and use the built-in alphabet letters for the center of the design.
9. Embroidery the design to the center back to the cape.

## Supplies:

Red standard pillowcase  
18” of 1/4 inch wide elastic  
1/8 of the yard of red ribbon  
Hook and loop dots  
¼ yard white cotton  
¼ yard yellow cotton  
White, yellow and blue embroidery thread  
Madeira Aerofil all-purpose thread to match fabrics

**baby lock**
