

"Vampire Cape"

Supplies:

Two standard pillowcases: 1 red and 1 black
1/2 yard of 3/8 inch wide black elastic
1/4 yard of 1 inch wide ribbon
Hook and loop dots
Madeira Aerofil all-purpose thread to match fabrics

Instructions:

1. Cut the pillowcases and open out flat.
2. Stitch the red pillowcase to the black pillowcase at the finished hem edge. The hem now becomes the collar and the stitching line of the hem becomes the neckline edge.
3. Gather along the pillowcase hem stitching line through both layers.
4. Then gather this neckline more by attaching it to the elastic using a zigzag stitch.
5. Tack the ribbon to one side of the neckline. Add a hook and loop dot to the end of the ribbon. At the other side of the neckline add the other side of the hook and loop dot.
Note: For safety reasons a ribbon with a hook and loop dot are used to secure the cape at the neckline, rather than the cape tying at the neck.
6. At the other end of the pillowcases (what was originally the seam end) Cut into 6" deep triangles to form a jagged edge.
