

BABY LOCK SEWING ACCESSORIES

Candlewicking Foot

(BLSO-CWF)

Instructions

The Candlewicking Foot has a deep tunnel on the underside of the foot to aid the foot in feeding over a build-up of thread when using a candlewicking, decorative or utility stitch that repeats over itself or has high density.

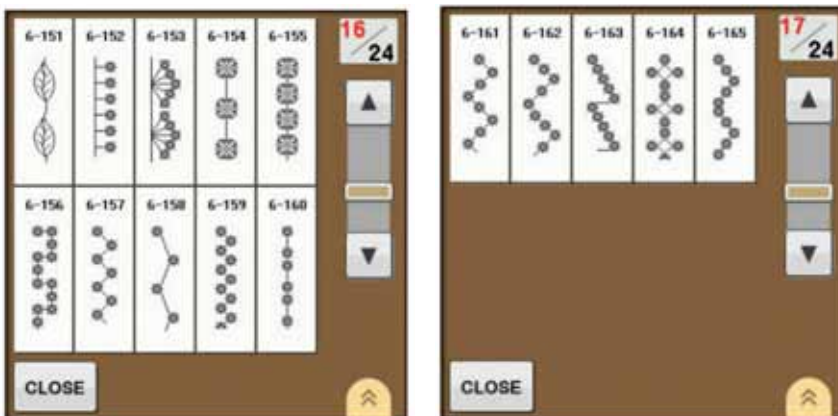

1. Select a decorative stitch.

Note: While all decorative stitches can be used with this foot, some Baby Lock machine models have special candlewicking stitches. Examples of these type of stitches are shown below.

2. Attach the Candlewicking Foot.
3. Place the fabric under the presser foot, pull the upper thread out to the side and then lower the presser foot.
4. Sew at a smooth and consistent speed.
