1. Looking into how designs are digitized:
 - a. Open Vicki Maslowski Placemats – Happy Holidays
 - b. All of Vicki’s placemats are ready to be quilted, bound and given as gifts
 - c. What if we wanted to put something different in the center of the placemat?
 - i. We need to remove the words and
 - ii. Click on Shape icon on the right-hand side
 - iii. Right Mouse Click Options:
 1. Move
 2. Split
 - d. We need to look at how the stitching moves
 - i. Where’s the start?
 - ii. Where’s the end?
 - iii. What direction does it stitch?
 - e. Split design removing elements you are not going to use.
 - i. Holly
 - ii. Words
 - iii. Frame
 - f. Clean up ties on berries
 - i. Move nodes to match magenta line
 - ii. Use the Bezier handles to change the curve
 - iii. Overlap prevents things from coming undone
 - g. Copy and paste to a new window to save as a single design
 - h. Adding TrueType Fonts – new words in the center
 - i. These will stitch like redwork designs
 - ii. Each letter as you see it is one quilting design

Questions from live session:

2. Open Deb Geissler-Candy edge to edge
 - a. Rectangle edge to edge design
 - i. Easy to line up
 - ii. Great design to practice
 - iii. Make some quilted fabrics
 - b. Make a registration line for the placemats
 - i. Cut stitch line

FOR THE LOVE OF SEWING

- ii. Binding stitched on the frame
- iii. Kiss Your Stash Goodbye: Bind It Right on your Long Arm

Questions from live session

- 3. Adding pre-made frames for placemats or runners
 - a. Open PS-Frame of Keys
 - i. Double click brings to new window
 - ii. Drag to screen you are working on
 - b. Add TrueType Font words in the center – graffiti art with words
 - c. Save design to usb stick to take to Pro-Stitcher
 - i. Be sure to do a safe eject
 - ii. You can safely eject on your Pro-Stitcher Tablet
 - iii. Rename file from original name
 - 1. Save as Inspirational C2S
 - 2. Save as HQV or HQF
 - d. Place the usb stick in the Pro-Stitcher Bracket usb port – there are 2 ports you can use either one
 - i. Open design from D drive or the drive your usb was inserted in
 - ii. Repeat and quilt
 - iii. Bind and give as a wonderful gift for someone’s table

Questions from live session-

- 4. Making a runner to match Vicki’s placemats
 - a. Extract the outer line for the shape
 - b. Remove everything on the inside
 - c. Change the size to accommodate the table you are making it for
 - i. Save as an Area
 - ii. Save as a design
