Array Embroidery Machine

Six Efficient Needles

With six needles, you'll love how quickly you can embroider large, multi-colored designs; and you can finish projects without excessive thread changes between jobs.

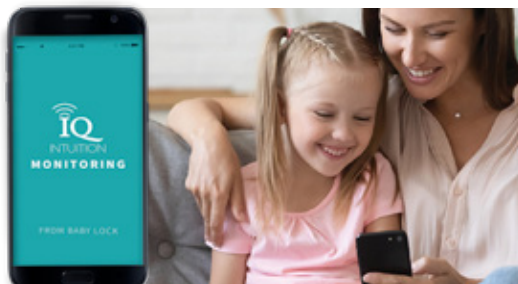

7 ⁷/₈" x 11 ³/₄" Embroidery Field
Embroider on a massive 7 ⁷/₈" x 11 ³/₄"
(200mm x 300mm) space, giving you
more room than ever before!

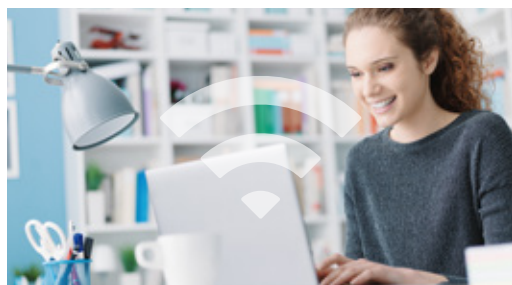

Embroidery Crosshair Positioning Laser

Use the crosshair positioning laser to preview the position of your embroidery design. Then adjust the position and angle for precise alignment. Your embroidery will be perfectly placed every time.

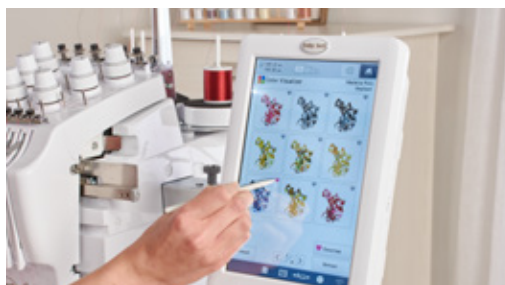

IQ Intuition Monitoring®

Keep track of your project's progress with this convenient feature that alerts your phone when the bobbin needs to be changed, if a thread breaks, if a thread needs to be changed and when stitching is done.

Wireless Capability

Using optional Palette 11 software, easily send designs to your computer for editing or to machine for stitching. Wirelessly download and install software updates for the machine.

Intuitive Color Management

Use Color Visualizer to effortlessly find a variety of color schemes for your projects. Select from random, gradient, vivid, or soft effects.
