

Melody Sewing features

Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use – it's so easy, you can do it with one hand!

Quick-Set, Top-Loading Bobbin

Avoid the struggle of changing your bobbin with the Quick-Set feature. Simply drop your bobbin in the machine, pull your threads through the slot, and let your machine do the rest of the work.

Quick-Set Bobbin Winder

The Melody takes all of the hassle out of sewing – including winding your bobbins! The winder seat holds the thread in place and stops automatically when the bobbin is full.

Melody

Quilting and Sewing Machine

FOR THE LOVE OF SEWING

Introducing the Melody from Baby Lock

When I first experienced the ease and convenience of the Melody, I knew this machine was just for me. The Melody has the features I've been looking for to quilt with confidence and to let my creativity grow, like a precise 1/4" stitch, easy threading and a wide quilting table. As a writer, I can't help but tell a story with everything I do, and I fell in love with the way quilts can tell a story, too. And with 189 stitches and 14 feet for every technique, the Melody lets me tell my story while hitting all the right notes.

For the Love of Sewing.

- Ask your Baby Lock Retailer about machine maintenance programs

Quilting Extension Table

Allows you to extend your sewing surface to provide extra support for perfect stitches on even the largest quilts.

Knee Lift

Effortlessly raise the presser foot with a tap of the knee, leaving your hands free for control and precision in your sewing.

Push Button Features

With a suite of push button features, your sewing projects have never been easier to complete. Position the needle up or down, reinforce any stitch with the reverse sewing button, or sew without a foot control using the start/stop button.

Stitches

Projects such as quilting, home décor, and crafts require specialty stitches. The Melody includes dozens of built-in stitches that are perfect for the projects you choose to create and you can even sew extra large decorative stitches with lateral feed.

Built-in Accessory Storage

You'll never run out of choices for new machine accessories, and now you'll never run out of room to store them! Keep your accessories organized and at your fingertips with this built-in storage unit.
