## Longarm Quilting Machine

### Large 20" Workspace

As a longarm machine, the Regalia's larger workspace allows you to stitch freely without worrying about limitations.

### Adjustable Front Handles

Effortlessly control the motion of the Regalia with the comfort grip front handles that are independently adjustable and extendable.

7" Color Touchscreen with Onscreen Handwheel Set and easily read Stitch Control Features with the large, color LCD screen.

Built-in Stitch Regulator and Needle Beam  
The Regalia has built-in stitch regulation so you can quilt smooth, even-length stitches.

### Push Button Features

Change the stitching speed, start and stop the Regalia, or place the needle up or down with buttons directly built into the programmable handles.

### Quick Set Tension

Easily adjust upper thread tension and view your settings on the digital LCD readout.

### Technical Features

- Two modes of stitch regulation: Precision and Cruise
- 2,500 stitches per minute
