

BABY LOCK SEWING ACCESSORIES

Seam Guide

(BLG-SG)

Instructions

The Baby Lock Seam Guide attaches to the bed of the machine and helps you achieve precise seams. The markings on the guide are for center needle position.

SEAM GUIDE INSTRUCTIONS:

1. Align the slot in the guide with the threaded hole on the bed of your machine.
2. Attach the guide's screw into the hole.
3. Slide the guide to your desired seam allowance and tighten the screw.
4. Run your fabric along the guide edge and you will achieve perfect seam allowances every time.

FOR THE LOVE OF SEWING
