

ProStitcher Premium

Software Update Version 18.11.0461

We are continually making improvements to ProStitcher software.

Changes addressed in this release are as follows:

New Pro-Stitcher 4 Premium Features of 18.11.0461

- Supports Art and Stitch Version 5*
- Eliminates long stitch after tie off on Baby Lock Regalia

* Art and Stitch version 5 is not compatible to work on HP Omni, W700 and EEPC tablets, or ProStitcher Standard.
