Meridian

Embroidery Machine

IQ Positioning App

Use the IQ Intuition Positioning App to position your design exactly where you want it, how you want it – every time.

IQ Designer

Take a photo or, draw directly on the screen. Your art will be instantly digitized with the colors and fill stitches you choose.

Wireless Capability

Using embroidery design software like Palette (version 11 or higher, sold separately) wirelessly transmit your designs from your computer.

Color Visualizer

Watch as your design is transformed in an array of color combinations.

Needle Beam

Know exactly where the needle will drop every time with a brilliant LED pointer on the included embroidery foot.
