

BABY LOCK Embroidery Upgrade

Give your Baby Lock Unity, Journey or Spirit new embroidery capabilities with this upgrade.
Enjoy a larger embroidery field, new designs, and have fun with multi-line text.

Upgrade Features Include:

Increased Embroidery Field & Two Large Hoops

Now you can embroider more elaborate designs with an increased embroidery field of 12" x 8".

This upgrade also comes with two larger hoops: 8" x 8" and 12" x 8". The 8" x 8" hoop is perfect for adding embroidery to quilt blocks, and the 12" x 8" hoop opens the door to even bigger designs like those for home décor.

30 Decorative Embroidery Designs

Increase your design library with 30 new decorative designs. Includes butterflies, floral, and ornamental designs.

Multi-Line Text Function

Believe
in your
Dreams
and they
will
come true.

Now it's easier to embroider multiple lines. Simply rearrange your text while in embroidery edit mode. You can even change the colors and font size from line to line.

The Embroidery Upgrade Package is

only compatible with Baby Lock Unity (BLTY), Journey (BLTY), and Spirit (BLPY) machines.

This package includes:

- CD-ROM containing Certification Key Wizard (for Machine Upgrade Software, Instruction and Reference Guide), 30 Embroidery Designs, and Embroidery Design Guide
- 12" x 8" Embroidery Hoop & Grid
- 8" x 8" Embroidery Hoop & Grid
- Installation Guide
