### Descriptions:

#### Foot Base:

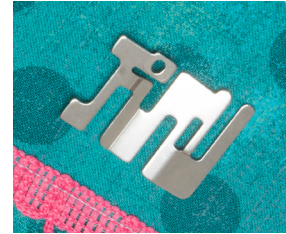

The Foot Base attaches to the ankle/shank of your machine, allowing you to attach the variety of binder, trim and hemmer pieces in this kit. This base must be connected to each of the components in this kit before they can be used.

#### Bias Binder Attachment:

Transform raw bias strips into perfectly precise binding. The Bias Binder will fold, feed, flatten and finish your binding for you – all you'll have to do is choose your favorite fabrics!

### Descriptions:

#### Trim Attachment Guide:

The Trim Attachment is used for positioning and guiding trim, ribbon, elastic, lace and fabric strips. It is ideal for use with fabric and trims that have a flat edge.

#### The Hemmer Attachments:

These Hemmer Attachments are perfect for small turned under hems in either 1/4", 3/8", 5/8" or 7/8" finished widths. It automatically curls under a double hem while stitching with either a straight stitch or a decorative Parisian hemstitch.
