Holiday Hoopla

Make these cute embroidered hoop ornaments for your tree or give them as a gift this holiday season. This easy sewing project includes free embroidery designs and can be put together using 3" embroidery hoops and fun pompom fringe.

Skill Level: Beginner

Created By: Patty Marty

Supplies:

- Embroidery Machine
- 5" x 7" Embroidery hoop
- 3" Embroidery hoop
- Piece of black velveteen fabric or wool felt
- 3-5 Spools of rayon or polyester embroidery thread in various colors
- Baby Lock Stick-Tear Stabilizer
- 12" Piece of pompom fringe
- 12" Piece of ribbon to tie
- Adhesive spray
- Hot glue gun
- Included embroidery designs

Instructions:

- 1.) Hoop the Baby Lock Stick-Tear Stabilizer and hoop into the 4" x 4" or 5" x 7" hoop.

- 2.) Peel off the top layer of the stabilizer to expose the sticky stabilizer. Place the fabric onto the sticky stabilizer.

- 3.) For this application use the “floating” method of hooping. Since velveteen has a tendency for hoop “burn” or leave markings from hooping this is an ideal time to float the fabric using the Baby Lock Stick-Tear Stabilizer.
- 4.) Place the hoop onto the machine.
- 5.) Transfer the designs onto a USB stick.
- 6.) In the machine, retrieve the design from the USB stick.
- 7.) Position the design as desired. If using a larger hoop, add multiple designs to the hoop.
- 8.) When ready to stitch, touch Lock and Start/Stop.

- 9.) Once finished sewing, remove hoop from machine.
- 10.) Remove the fabric and stabilizer
- 11.) To complete the ornament, hoop the fabric into the 3" embroidery hoop.
- 12.) Trim any excess fabric extending from the hoop.

- 13.) Attach the pom-pom fringe on the back of the hoop using a hot glue gun or other craft glue.
- 14.) Attach a loop of 3/8" ribbon to finish off the ornament.
