Hello Summer Flamingo Embroidery Pattern

by Beverly McCullough of Flamingo Toes

Hand Embroidery Instructions:

1. Tape together pattern. Trace design in center of background fabric.
2. Use three strands of 6 strand floss unless noted.
3. For lettering - use a back stitch. The letters have two rows of back stitching next to each other
4. Use a back stitch for flamingo legs and beak.
5. Stitch a French Knot for flamingo eye.
6. Stitch the outline of the flamingo and the wing with a chain stitch.
7. Embroider the flowers and leaves with satin stitches, except for the flower on the far left. For those, stitch the stems with a back stitch and French Knots for the flowers.
8. Using one strand of floss, stitch the flamingo eyelashes.
