

SOFTWARE ADVENTURES

What's an Adventure from Baby Lock? It's a virtual learning opportunity that's shorter in duration than our very popular Getaways but just as information packed and taught by the experts at Baby Lock!

PALETTE ADVENTURE

New for 2023! Join us for our 2-day Palette Adventures. All classes are held virtually from 1:00pm-4:00pm CST.

Cost of the class is \$200

BEGINNING DIGITIZING

You've taken the Palette Getaway, but haven't used the software as you'd like? Need a refresher? Join Michelle Ahrens, National Training and Education Specialist for this Palette Adventure and getting back into the basics of Palette. This 2-day Adventure will help brush up on the techniques/skills you learned in the Palette Getaway and be able to create a project of your very own that you will be proud to show off!

FEBRUARY 2 – 3

CREATING QUILTS BLOCK BY BLOCK

Learn from one of the best in Baby Lock Education, Karen Parker! As a master digitizer and winner of the prestigious John Deere award in 2018, she will guide you as you learn how to master Palette 11 software to create stunning and yet easy to create, quilt projects one block at a time. Building on your Palette Getaway foundation, this Adventure will amaze you at how easy it is to create in-the-hoop pieced quilt blocks, and make a quilt. This technique will show you easy to follow joining techniques and will even teach you how to create continuous line patterns for quilting blocks as you go. This is a 'must have' for anyone who wants to learn how to combine quilting and digitizing with show stopping results!

ABOUT-FACE! REVERSE APPLIQUE WITH KAREN PARKER

Learn the reverse applique technique with our Baby Lock Educator, Karen Parker. Karen is a master digitizer and winner of the prestigious John Deere award in 2018. She will take you from the foundation of Palette into a new world of design and creation. You'll be able to watch the beauty of your design reveal itself! A basic understanding of applique is highly recommended. Come join us for 2 days and learn a new technique in this new Palette Adventure!

MAY 25 - 26

DIGITIZING LOGOS

Digitizing a logo which is one of our most requested items, can be a breeze if you have the right tools and follow the right process. Join Michelle Ahrens, National Training and Education Specialist as she walks you through the process of digitizing logos from beginning to end. You will learn about the tools that work best in different situations and learn how to break apart a logo design to determine the best approach for digitizing and what to look for in your test stitching and in the final product. This class is a perfect way to start putting all you learned in the Palette Getaway to use!

JULY 6 - 7

DIGITIZING EDGE-TO-EDGE QUILTING DESIGNS IN PALETTE

Do you love Edge-to-Edge quilting? Have you ever had difficulties finding just the right pattern for your quilt? This Adventure is the ticket for learning how to design and digitize customer patterns for your quilting projects! Join Baby Lock Educator, Karen Parker as she takes you step by step through the process. This is the ultimate class in how to customize your quilts and make them one-of-a-kind masterpieces!

OCTOBER 5 - 6

CREATING JEWELRY IN THE HOOP WITH PALETTE 11

Karen Parker, our Baby Lock Educator and a master digitizer, will introduce you to making jewelry with Palette 11. Watch your experience grow with Palette, from the design of the jewelry to the placement of the findings (hardware). The revelation of creating jewelry with Palette is something Karen has been doing for years and will share her methods and techniques with you in this 2-day Adventure.
