Vesta

Embroidery & Sewing Machine

Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use - it's so easy, you can do it with one hand!

Large Embroidery Field

Stitch bigger embroidery designs and enjoy less re-hooping with a large embroidery field - 6¼" x 10¼".

293 Built-in Embroidery Designs

With 293 built-in embroidery designs, you'll always find inspiration in the Vesta.

301 Built-in Stitches

With 301 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.

Wi-Fi Enabled

By using Design Database Transfer, you can easily send your designs from your computer to the machine. Also, when Wlan connection is enabled, you will receive notifications when new updates are available for your machine.

Color Sort

When embroidering the same design more than one time in the same hoop, activating Color Sort will rearrange the embroidery order to minimize stopping for thread changes.
