Coronet

Longarm Quilting Machine

The Coronet opens up worlds of possibilities for first-time longarm quilters. The included 5' frame fits easily into the smallest studio, yet the Coronet has a huge 16" workspace that gives quilters complete control over their compositions from beginning to end.

Coronet

Longarm Quilting Machine

Lighted Workspace

Long-lasting, high-intensity LED lights illuminate your workspace so you can see every detail on your quilt.

Large Workspace

With 16" to the right of the needle and an 8-1/4" high throat space, the Coronet gives ample room to finish quilts of all sizes.

M-Class Bobbin

Enjoy fewer bobbin changes with the high-speed rotary hook and large-capacity M-class bobbin.

1,800 Stitches Per Minute

Keep a quick and steady tempo of up to 1,800 stitches per minute. Coronet is as fast as it is accurate.

LCD Touch Screen

Access your hardware and software options, lighting options, stitch counters and more through the LCD touch screen.

Built-in Stitch Regulation

Enjoy free-motion quilting at a comfortable pace. The automatic regulator helps achieve evenly spaced, consistent stitches every time.
